

**UNITED STATES DISTRICT AND BANKRUPTCY COURT  
FOR THE DISTRICT OF IDAHO**

IN THE MATTER OF ESTABLISHING A NORTHERN )	General Order No. 160
DIVISION FACILITIES COMMITTEE )	
_____ )	

The U.S. District and Bankruptcy Court in Idaho is currently reviewing its long range facility needs. Efforts have been made, in conjunction with the Administrative Office of the U.S. Courts, to complete a long range facilities plan. This work includes the participation of the Courts, Probation, Circuit, Federal Defender, U.S. Attorney, U.S. Trustee and U.S. Marshal.

As part of this long range plan, the courts are reviewing options for our long term facility needs in the Northern Division. This matter having also been discussed at the May 2000 judge/lawyer representative meeting, and the Court being interested in seeking the advice of the bar and court related agencies in developing a long range plan for facilities in Northern Idaho, NOW THEREFORE:

A Northern Division Facilities Committee is hereby appointed with the following purpose:

- to review economic, caseload and anticipated trends in the northern division,
- to review the historical uses of the facilities in Moscow and Coeur d'Alene,
- to examine options for the use of the present facilities in Moscow and Coeur d'Alene, including but not limited to: construction of an annex in Coeur d'Alene; studying the use of existing space in considering changes to the current space assignments; reviewing other facility options such as sharing with the state courts; and, discussion of this issue with Idaho's Congressional delegation.
- to review existing Circuit and Judicial Conference policy,
- to recommend a long term facilities solutions for Northern Idaho
